

## **Beach Haven Tennis courts electronic access key (fob).**

Fobs are issued to club members if so requested. There is a \$20 fee with a \$10 refund if you choose to return the fob to the club for some reason. If you lose your fob you can request a new one at nominal cost of \$10.

The fob will open the gates to the courts, including the one in between the Beach Haven Tennis Club terrace and the Council terrace. It will also open the door to the club house so you can access the toilets and get your water bottle topped up.

To open an electronically closed door or gate just hold the fob in front of the key pad, there will be two beeps and the door or gate will unlock.

Since the fobs are personalised, the fob will be de-activated after you terminate your membership, please return your fob to the club, IT CAN BE RE-USED.

The fobs are issued with a username and a password that give you access to the iSquash system. You can check if the courts are booked or reserved and you can book a court for yourself and your partner for a certain date and time. Note: you can book ONE court for several timeslots, you cannot book TWO or more courts, that has to be done by an administrator.

Instructions on how to access the iSquash system are available on our web site:
