

HOW TO BOOK A TENNIS COURT FOR REGISTERED TENNIS CLUB MEMBERS

Note - iSquash is the name of the booking and access system used across the Beach Haven Sports Centre, including courts used by the Beach Haven Tennis Club and Shepherds Park Squash Club. Users must be registered on iSquash to book courts online and to access both the courts and clubroom that are controlled by access tags.

Instructions

- Go to www.isquash.co.nz
- Log on with your iSquash username & password (see your club administrator if you do not have this information)
- Select 'Beach Haven Sports Centre' from 'My Clubs' link on the left hand column. See orange highlighted area below

The screenshot shows the iSquash website dashboard. On the left, under 'My Clubs', 'Beach Haven (Shepherds Park)' is highlighted in orange. The main content area is titled 'Welcome to iSquash' and includes sections for 'Player Watch', 'Squash NZ Messages', 'Using iSquash on your Mobile', 'Online Booking Timing Out', and 'iSquash Tips and Tricks'. On the right, there is a list of 'Upcoming Tournaments' with dates and names.

- The club booking calendar will be displayed
- Select the 'Tennis Club Members' tab (orange tab highlighted below)

The screenshot shows the iSquash booking calendar for Beach Haven (Shepherds Park) on Wednesday, 15-Nov-2017. The 'Tennis Club Members' tab is highlighted in orange. The calendar displays four tennis courts (Tennis 1 to Tennis 4) with booking slots from 8am to 2pm. The slots are currently booked with 'Midweek social tennis'. A key on the left indicates the status of the bookings: My Booking (orange), Booking (yellow), Visitor Booking (green), Reserved (red), In use by another sport (blue), Not Available (grey), Pay to Play Available (light grey), and Free (white).

- Select the date, time and court you require (refer to the 'COLOURED KEY' shown in the above image on the bottom right hand side for availability)
- Hover the mouse over the time slot you want and click to open up the booking confirmation page (shown below). A dialogue box may ask if you want to book a court – click “OK”

- Club administrators can reserve courts and override bookings. You will be advised if this occurs.
- Club members can book courts two weeks ahead of time, giving them first option on court bookings before members of the public (who can book seven days ahead of time).
- Floodlights will automatically be activated when a booking is made during the evening.
- The floodlights will go out when your booking ends, so please login and extend your booking if your game is running over.
- Important – as the floodlights have halogen bulbs they take approximately 25mins to cool down before they come back on again.
- To cancel a booking simply click on the same booking you have made and click 'cancel booking'.
- Members are encouraged to cancel any courts they do not require as early as possible. This will allow courts to be re-booked by other members.
- All other tabs on the iSquash booking system (e.g. interclub, tournaments, grading reports, and membership) are related to squash club administration, not tennis. For Beach Haven Tennis Club iSquash is simply a mechanism to manage facility access for club members.
